For those who missed this new match, the course of fire was as follows:

1. 10 rnds OH in 60 sec. 5 rnds per mag
2. 10 rnds. in 60 sec of those 5 rnds OH then 5 rnds kneeling, sitting or squatting
3. 10 rnds. in 60 sec of those 5 rnds OH then 5 rnds kneeling, sitting or squatting (can't be the same position you used in 2. above)
4. 10 rnds Prone 60 sec. 5 rnds per mag

This was shoot at 25 yards on very small targets: “Target, Rifle, “A”, 1000 inch”

I think we all need a little more practice on the M-1 Carbine. Watch for the next match date.

A big THANKS to Barry.
