1. Next match May 4, 2013. First relay on line at 10Am.

2. The September match will be the annual John C. Garand match. Only those competing with an M-I Garand and using M-2 ball ammo will be eligible for prizes to be awarded at the match. All other rifles will compete for score only or to make up a league match. KSA will provide M-2 ball ammo at the match for \$5.00 per 50 rnds.

3. We are thinking of incorporating a Sniper Rifle match along with the John C. Garand match in September. If you are interested in shooting a sniper rifle go to the CMP website to see what rifle and scope combinations are approved for this event. If there is enough interest we will fire a sniper match after the M-1 match in September.

4. We are scheduling a work day April 27, 2013 to finish installing the posts at the 200yd. impact area. Start time 9am. We will dig post holes, mix concrete, cut and install the posts. If you can help we'll see you there.
